AIR GUN SHOOT FEBRUARY 1, 2017

By Steve Kohl

Cell: 925 285-1395

stevekohl@sbcglobal.net

At our weekly Air Gun Shoot we had the opportunity to see and shoot many different guns that are sold by Airguns of Arizona. In September I was lucky to win an air compressor that was donated by them to the online forum Airgun Nation' by guessing the mileage that the van put on in 1 year. They shipped me the compressor in November but they couldn't coordinate a visit because of the holidays. AOA also sponsors this van that visits their dealers and attends many airgun shooting events. There was a turnout of 17 club members who got to enjoy some high end rifles and get up to date info on the airgun community.

If you are interested try to come to one of our Wednesday shoots at the Multi-Purpose range or a one of the matches held every month. The group is very friendly, helpful, and are eager to share their knowledge and experiences.

Here are a few pictures from the event.
