DIABLO - BAYPOINT POKER SHOOT A SUCCESS!!

Diablo and Baypoint had an AFTER HOUR poker shoot held at the public range on July 16th. There were approximately 30+ people there including a couple of families bringing out all their members!

Our poker targets were a 23x35 target with a full deck of cards on it and at 15 yards the shooter had to engage 5 cards to try and create the best hand. Shooters paid an extra \$10 for the poker target and could shoot it whenever they chose that night. The winner of the poker shoot was awarded half of the pot and the clubs would split the rest.

Sammy Ryerson, a longtime Diablo member, easily cleaned up the competition and was the biggest card shark out there. Sam graciously donated his share of the proceeds back to the clubs. THANK YOU SAM RYERSON!

Sam won the event with a Ace high straight flush! pretty good shooting!

Diablo and Bay Point will be holding more events such as these in the near future while there is still light out after hours. We invite all club members to come out and have a great time!

Thanks to all the shooters and their families that came out and participated.

Check out the link for more photos of the event.

DIABLO ACTION PISTOL

CONCORD, CALIFORNIA

Diablo Action Pistol conducts many action shooting events, including:

- Steel Challenge Matches & Practice Sessions
- Outlaw IDPA Matches
- Ladies Shooting Sports Clinics

RELOADING

Meet to exchange ideas and best practices for reloading metallic cartridges and shotgun shells.

Meetings take place on the Third Wednesday of the month, 5:30 to 8:00 pm, at the Hunter's Education building within the Action Pistol range.

Bring your press and components to do some reloading and share stories with your fellow club members.

You're welcome bring your reloaded ammo and for a small range fee if you can test your loads- we have a chronograph available as well.

RIFLE AND PISTOL LEAGUE

You need 30 rounds for a match. Shooting is by classification and firearms must be sighted in already. The cost is \$6.00 per event. The events are scoped rifle, scoped pistol, iron sight rifle, and iron sight pistol. The matches are the 2nd sat 9 am. Even months are rimfire and odd months are centerfire. Pistol is always at 25yd. July is a fun shoot. Shooting is done from 3 positions with a minimum of 10 rounds offhand and a maximum of 10 rounds prone. To be eligible for awards at the end of the year, you must shoot in at least three matches of the five matches per event during 2012.

SILHOUETTES

Diablo Silhouette Matches cost \$7 and are open to both rifle and pistol. Diablo allows both pistol or rifle offhand or from the bench (Varmint Class). Many clubs shoot only rifle or pistol, and NRA has different names and rules for the pistol events v.s. the rifle events, even if they are at the same distance. IHMSA - International Handgun Metallic Silhouette Association - sponsors only pistol and some of the rules are different, but IHMSA shooters are welcome. For example, IHMSA starts everyone shooting at (metallic) chickens, but NRA starts all 4 animals at once with 4 shooters at 4 firing points.

Club Socials are held in the USI clubhouse on the third Tuesday of every month. All the food, soft drinks, and beer are provided (free) – you need only to bring your appetite. Diablo Club members, family, and a guest are welcome. Come and help set up the buffet around 5pm and we'll start eating around 5:30 pm. If you can't get there early, please come anyway. We keep the food out until about 8 pm, so stop by on your way home from work.

Impalement Arts

Impalement Arts is the practice of throwing and accurately sticking knives, tomahawks, screw drivers, shovels, and assorted implements.

Without a doubt this is the number one fun activity at Diablo. The Diablo Impalement Arts Program offers members (no hyphen) instruction, training, competition, and lots of fun.

We plan to hold regular practice sessions and are looking to host nationally sanctioned throwing events throughout the year. For more information, please contact John Wu@D1022GS@gmail.com

Musketeers Youth - Shotgun

California Musketeers is a youth shooting program recognized by the Civilian Marksmanship Program (CMP) and the National Rifle Association (NRA). The program is funded and operated by the Diablo Rod & Gun Club (DR&G).

The Musketeer's shotgun program is open to all youth between the ages of ten (10) and twenty (20) years of age. Children and grandchildren of Diablo members shoot for free at this monthly event- shotguns, shells and clay birds are provided by the club.

Musketeers Youth - Rifle/Pistol

The Musketeers youth rifle/pistol program sponsored by the Diablo Gun Club. It is offered to the children or grandchildren of USI members between the ages of 8 and 18. The youth shoot for free and all the ammo and targets are supplied by the Diablo Rod & Gun Club.

This is a fun youth group which teaches rifle/pistol safety along with supporting the NRA Marksmanship program. Meet at the MPR, 1:00 5:00 pm, 2nd Saturday of the month. See Diablo's Calendar for more information

Airgun Field Target

Airgun Field Target simulates hunting using precision air rifles. The steel animal targets are designed to fall only when the pellet hits the "Kill Zone", requiring target-rifle accuracy. Targets are easily re-set with a cord from the shooting position.

The distance to the targets varies and is unknown, adding the element of range-finding to the shooting calculation. All types of pellet rifles may be used, up to .22 cal, and we do have some loaners available. Junior shooters are welcome and shoot for free.

Members shoot the course for \$10, Guests for \$15. 3rd Sunday of the month, 8:30 am setup, match starts around 9:00 am. Contact info: DiabloAirGun@outlook.com

Sporting Clays

Sporting clays is the closest thing to actual field shooting. Sporting clays courses are designed to simulate the hunting of ducks, pheasants, other upland birds, and even rabbits. Targets may be thrown from literally any angle or distance to simulate wing-shooting. Up to six different sizes of clay targets are used to further give the shooter the experience of actual hunting conditions.

Many hunters shoot sporting clays to develop their wingshooting skills during the off-season, while others enjoy the challenge and comradery in shooting a 100 clay bird course. Join the Diablo members as they travel to Sporting Clays clubs.

Please check the Diablo Calendar for more information, times, and locations.

Front-Runner - The Endura 4 sets the standard as one of the best-selling folding knives ever made. All members of the Endura 4 family include a four-position clip, a high-strength back lock mechanism, and Trademark Round Hole.

Light and Durable - This Endura handle is fabricated with Fiberglass Reinforced Nylon. FRN is a polymer mixed with glass fiber that is injection molded and formed into a sleek textured handle, creating a lightweight yet high-strength knife handle.

Low Friction - This knife features a blade ground with flat bevels that extend from the spine all the way to the cutting edge. This grind reduces drag during cutting and decreases overall weight.

Diablo Action Pistol has run this activity for years as an entry to competitive shooting and to do that prospective shooters must pass the orientation class in order to get certified to shoot on the action pistol range.

DAP orientation classes are held the FIRST Saturday of every month. Shooters are taught range requirements and safety and given an introduction into the games and their rules that are played at the DAP range. After the conclusion of the orientation class, new participants are required to compete in the NEXT DAP Match the following Sunday (2nd Sunday) of the month and complete this match without disqualification.

It should be noted that the orientation class is not for brand new shooters/Gun Owners. Participants should be familiar with their guns and equipment and be able to demonstrate a minimum level of proficiency with it. It is

recommended that participants spend some time at the public range practicing and getting familiar with their guns and their shooting prior to taking the Action Pistol Orientation Class. The orientation class is not, nor is it intended to be, training of any sort. It is merely meant to show new shooters the Action Pistol Range rules and requirements and to introduce the new shooters to the types of games played on the Action Pistol Range.

MINIMUM Equipment needed
